"We Make Personality Assessment Tools Better"

Identimap, Inc. 913-269-6589 bob@identimap.com [www.identimap.com](http://www.identimap.com)

---

## EARN A QUICK, EASY \$100.

\$100 FOR A FEW HOURS OF FUN.

The purpose of the program is to show high school students a new personality assessment tool. It's fast. It's anonymous. It's eye-popping. It's free. And more than 10,000 people have done it already.

**HOW DOES THE STAR PROGRAM WORK?** Only one Star per high school is selected. First come first serve. It is a four-week program. The STAR student is paid \$100 for working one hour per week for 4 weeks.

**GET STARTED NOW.** The student installs "IdentiMap", a new personality assessment tool, from the App store or Google play. The student takes the assessment and with the App, sends a PDF of the results to [bob@identimap.com](mailto:bob@identimap.com). Bob will contact you with the next step.

**WHAT DOES THE STAR STUDENT DO?** The STAR student shows the App to as many other students as possible and asks each student to install the app and take the personality assessment tool. The STAR student asks each student to send their opinion of the app and comments to bob@identimap.com.

THAT'S IT. \$100 EASY MONEY. **GET THE APP AND TAKE A LOOK.**
